

#### A VENUE FOR EVERY OCCASION

Dear Event Organizers

Are you planning an event for your company or a networking meeting with your business partners? Would you like to invite your clients to an important seminar or are you planning a special occasion with your family?

The **magazin** in Olten, part of **Astoria** Gastronomie AG, perfectly complements the offerings of our hotel, restaurants and bars. The multifunctional venue can accommodate up to 150 people. The terraces are available for outdoor aperitifs and coffee breaks, and our **astoria team** will treat you to delicious dishes and fresh cocktails, tailored to suit the guests of your event.

We look forward to your inquiry and are happy to provide information regarding bookings.

### CONVENIENT ACCESS FOR YOU AND YOUR GUESTS

You can easily drop off your materials and event equipment right at the entrance and then park conveniently nearby at the Hübeli parking garage or Munzinger-Platz in the center of Olten. Alternatively, if you're arriving by public transport, the **magazin** is just an 8-minute walk away.

Directly across from Hotel **astoria**, welcome your guests with a light refreshment to kick off your seminar or event.

### NO SECOND CHANCE FOR A FIRST IMPRESSION

Together, we ensure a smooth start to your event. Welcome your guests with freshly ground Vincente coffee, fruit juices, and crispy croissants from the bakery.

### TREAT YOURSELF TO FRESH AIR AND SUNSHINE

Do you want to start your event in a relaxed and friendly atmosphere or enjoy your mid-morning break outdoors? Whether it's coffee at a cozy lounge table or an Arabica espresso at a standing table, we ensure the perfect setting for your event.

# FLEXIBILITY AND MODERN TECHNOLOGY

Decide on the space you need based on the number of guests and your event program. The adjustable, sound-proof partitions create a private atmosphere for your seminar, followed by lunch or dinner. You can also set up the **magazin** openly and freely for workshops, exhibitions, and larger events.

Our technology ensures optimal image and sound quality, even for more demanding needs. Simply bring your presentation materials, and our team will handle the microphones, necessary connections, and ensure an all-around great experience.

# THE WAY TO THE HEART IS THROUGH THE STOMACH

The kitchen team from Restaurant **astoria** will delight your guests with the perfect culinary offerings. Choose from our diverse menu and impress your guests with a fitting setup for your event.

Depending on your preferences, the number of guests and the weather, we have various options to cater to your needs and pamper your guests.

### WINDING DOWN TOGETHER...

Reflect on the event with your guests and create an open exchange in a relaxed atmosphere.

Whether indoors or outdoors, take advantage of the generous space and impress your guests with an «Apéro Riche» tailored to your preferences.
